## RIESLING

Single Vineyard

# LINGENFELDER ESTATE

<b>Grape Variety</b>	<b>Riesling</b> , 100 year old N90 clone of local origin
<b>Vineyard site</b>	<b>Freinsheimer Musikantenbuckel</b> , gentle slope facing south
<b>Soil</b>	<b>Sandy</b> , which in agricultural terms is considered poor, but is great to enhance fruit flavor in premium viticulture.
<b>Classification</b>	<b>Kabinett</b> (light, non-chaptalized)
<b>Vintage</b>	<b>2015</b> - very warm year with ripe fruits giving a full aromatic flavour to the wine.
<b>Style</b>	<b>dry, aromatic</b> with crisp, refreshing acidity which is the hallmark of Riesling and a delight when grapes were harvested fully ripe. Kabinett is a quality designation for ripe grapes.
<b>History</b>	The Lingenfelder family has winemaking experience since <b>13 generations</b> . The first records date back to 1520.
<b>Vineyard</b>	<b>Sustainable viticulture</b> is practiced out of respect for the land, so that the next 13 generations should get a chance to live off the land as well; without herbicides, without irrigation, only minimal fertilization and lots of biodiversity.
<b>Cellar</b>	Winemaking goes beyond organic: <b>no yeast culture addition, no fining, minimal filtering</b> and no chaptalization in premium wines like this one – in one word: hands off.
