

LINGENFELDER

ESTATE

2015

DORNFELDER

Single Vineyard

Grape Variety	Dornfelder , developed to have an excellent pigmentation in cool climate conditions.
Vineyard site	Osterberg , (Easter hill) gentle slope facing southeast
Soil	Loess , with ideal natural water holding capacity
Classification	QbA (medium, chaptalized)
Vintage	2015 - very warm year with ripe fruits giving a nice complexity to the wine
Style	dry, fruity with hints of spices and a smoke taint. It is a rather light style but has a nice intensity on the mid palate. It is matured in large , 120 years old wooden casks for 24 month to get complexity without covering the fruit flavours.
History	The Lingenfelder family has winemaking experience since 13 generations . The first records date back to 1520.
Vineyard	Sustainable viticulture is practiced out of respect for the land, so that the next 13 generations should get a chance to live off the land as well; without herbicides, without irrigation, only minimal fertilization and lots of biodiversity.
Cellar	Winemaking goes beyond organic: no yeast culture addition, no fining, minimal filtering and no chaptalization in premium wines like this one – in one word: hands off.

ABV: 12.5 %

Acidity: 5.6 g/l

Residual Sugar: 1 g/l
